	List of students going on the trip sent to Amy for the Rocket Reminder if trip is during school time (5 days prior to the trip)	

Note: No consent form signed by parents can release a member of the faculty of his or her negligent act. The parent's signature, however, shows that they were aware of the activity and gave consent for their child's participation. Therefore, while consent forms do not absolve the school of its responsibility to provide, within reason, for the safety of the children, a consent form should still be used.
